Suzana

Someone's got herself a nice, big cock to play with for awhile, and she intends to do just that. She can see it now: the tip of his shaft popping against the inside of her cheeks, his fat fingers tickling her g-spot till her knees are shaking, and finally getting her pretty little face showered in his cum.

I love how older men treat me!

Evelyn & Nicky

Evelyn needs a lesson in lady love, and Nicky is more than up to the teaching task. Nicky first shows her just how sensitive her titties really are. Evelyn gives out a gasp as her nipples tingle with every nibble and flick of Nicky's tongue. She then moves her way down Evelyn's petite body till she's fingering and sucking on her pussy.

Does this make you want more?

TITS, ASS AND LEGS, OH MY!

Just as men prefer certain drinks, certain foods, certain sports, the average guy generally possesses a definite preference for certain parts of the female anatomy. Leg-men and breast-men seem to prevail; with ass-men following closely behind (pun intended).

Some women may pretend to feel insulted by this dissection of their figures. But the woman with lovely legs, outstanding tits or a beautiful round ass is often happy with her fair share of male attention.

Some men lump all the parts of the female body together and simply call themselves pussy hounds. Henry Miller, author of *Tropic of Cancer* and many other erotic masterpieces thought of himself as a cunt man. He rhapsodized at great length in his works about “juicy cunts,” “drooling cunts,” “convulsing cunts,” “carnivorous cunts,” ad infinitum. “Cunt’s not everything,” Miller was fond of saying. “But if you take it away from a woman ... all you’ve got left is a mouth and an asshole.” Strong

words from a man who later claimed he revered women mostly for their minds.

Age definitely has something to do with a guy’s preference. Younger dudes are more apt to be breast-men; those in their thirties and forties are very often leg-men; whereas older men tend to look to the butt. Pros claim that leg men are less prone to demand kinky treatment than ass-men or breast-men. As one poetically puts it:

“Oh, the leg-men are best for my kind.

One’s behind is not on their mind.

One’s bra is not in their leer.

From a leg-man there’s nothing to fear.”

Curiously enough, ass-men have been known to be generally more oral than breast-men. Breast-men obviously love to caress or suck a woman’s nipples. But ass-men are more motivated to extend their oral activity to licking or sucking the more

intimate parts of a lady’s anatomy, such as the cunt or even the asshole.

Sexologists know that even the most well-rounded man, the type of guy who maintains he loves legs, asses and tits with equal ardor, possesses at least a slight anatomical preference. But men who have a definite obsession for one part of the female figure are sometimes so fixated they can come by merely touching or looking at that part.

Breast-men often go for sheer size, while leg- and ass-men are more impressed by shape. Ass-men may be more oral because they tend to be older; older men prefer longer foreplay and are more inclined to explore a female’s most private parts.

A casual reading of contemporary fiction will often reveal the author’s favorite female part. “Her legs,” writes A. J. Cronin, distinguished author of *A Thing of Beauty*, “possessed the shape and curves that drew the male eye like flesh-made magnets; one’s fly bulged embarrassingly if one stared at their beauty

Some guys drool over big, bouncing breasts, others get hard at the sight of long, luscious legs. Still others go wild from a nice ass in tight jeans. Why do men prefer one body part over another?

a moment too long.”

“She had breasts,” says William Styron, author of *Lie Down in Darkness*, “that parched a man’s mouth and made him glad he was born male.”

“The lady’s posterior,” writes Vladimir Nabokov, famous author of *Lolita*, “was utterly flawless in proportion; Henri gazed at it and felt his loins flush warm with desire. He longed to bury his face between the cleft of those deliciously ample cheeks and allow himself to be suffocated there.”

Breast-men are a comparatively modern phenomenon. The Greeks and Romans idolized large curvaceous thighs and slightly obese buttocks; models for their statues possessed medium-sized breasts which were never accentuated. The old masters painted lemon sized breasts on women that displayed opulent thighs and Earth Mother asses. And artists as late as Modigliani paid a great deal more attention to asses and thighs than to tits. But braless boobs have come so prominently to the front in modern paintings, photography and real life, that asses and legs seem almost secondary.

Bottom-heavy has become top-heavy and, as one horny young guy puts it, “A girl’s not sexy unless her boobs are big and bouncy enough.” There is still no question though, sexually speaking, that a female’s “better half” will always remain her bottom half. The area below the navel is, in the last analysis, the place where all men ultimately long to be buried.

The girl who is angered by a man’s natural tendency to prefer certain parts of her body is generally a female who possesses no outstanding sections herself. The wise woman knows her assets and uses

them to her advantage. (“A lady who conceals her lovely legs with riding pants or loose sweats is a fool,” says one aficionado.) The mini skirt is always in fashion, a godsend for many. And many a guy is blessed to see chicks in high-slit skirt.

Ladies with lovely butts feel it’s good to wear tight jeans or sheer,

ass-cupping dresses. And the flames fed by the sight of girls with beautiful tits burn as bright as hot coals. The late great Raquel Welch once unashamedly admitted, “No, I never wear loose, concealing blouses ... I don’t intend to hide my lights beneath a bushel.”

It is interesting to note the preferences of certain famous (and infamous) men. The late John F. Kennedy was known by associates to be an avid ass-man. “A lady should be perused first from the rear before deciding whether to bother to con-

Megan and Lilly’ Tryst..

I just moved into an apartment in a new city because of the job I took. I really didn’t know anyone in the city and

it will take a while to get to know some of my Latina co-workers. But there’s a no fraternizing policy at the office. So what’s a twenty-four year old guy to do? I bought **Club Latina** and really enjoyed all of the sexy ladies inside. I didn’t know until I bought this issue that I could see the videos of the girls in the photos. I was especially turned on by Megan Salinas’ and Lilly Banks’ lezzie shots. But when

I went online and looked at the video, it was way sexier. And I must say those girls were really hot. Their sexual chemistry was a real turn on. I was actually sweating a little by the time I finished watching. The video did not finish, just me! It’s been a great sexual ice-breaker for me in a town that will take a while to thaw. Now it’s time to finish the video.

— Carlos R., Miami

front her from the front,” he reputedly said. Renowned author Ernest Hemingway, a loquacious legman himself, once mused, “The beauty of a tall woman’s legs can often surpass the splendor of an African sunset.” Adolf Hitler had eyes for buxom females with bountiful breasts; he considered them the only fit mothers for his so-called ‘superior race. ‘A woman with brains and breasts is fittest both for passion and for motherhood,” he said.

her anal orifice and her vagina; accordingly, males who feel a strong preference for the female buttocks are realistically demonstrating their down-to-earth interest in those two orifices. It must not be put aside that the female rectal tract is close enough to the clitoris to cause at least secondary stimulation and pleasure when the penis penetrates the rectum.

“The rectal tract,” he goes on to say, “being essentially tighter than

it egg shampoos. And indeed it was quite a cunt; it could do everything but talk. The softest, silkiest lips imaginable, and when your prick was buried in it you knew you had passed into the portals of paradise.”

Breast-men tend not to be too excited about exotic or erotic underthings. Most ass-men and leg-men, however, are turned on by hot panties, garter belts and high heels (perhaps because they tend to be a bit older than breastmen). But breast-men can become so obsessed with their body-part preference that some cannot come unless they use a woman’s cleavage for titty-fucking. One bewildered wife shared her lament: “It got so that he would only fuck me between my tits; he told me a pussy was only meant to pee through. He’d grease up his dick with Vaseline, hold my tits together and within a minute he’d come all over my neck and chin. Occasionally, when he threw me a bone and would screw me ‘normally,’ he simply couldn’t come. I’d wake up and find him sucking one of my nipples and jerking off. He’d do the dishes for me anytime I’d let him jerk off and come all over my tits.”

The Marquis de Sade was, not surprisingly, a devoted assman; he worshiped the butt to the point of mad obsession. “I acknowledge my weakness,” he said. “I admit as well that in all the world there is no mode of pleasure taking preferable to this...” The late actor Charlton Heston noted, “Even a downright ugly woman is damned attractive if she has good legs.” And Phillip Roth, the famous contemporary novelist who wrote *The Breast*, says, “The female breast resides at the top of her beauty; a man can find excitement there or he can find rest.”

Gifford Chase, a sexologist and psychologist, feels that ass-men are more down to earth and realistic. “A female’s buttocks are host to both

the vaginal chamber, can often afford more pleasure for both persons during sexual performance.” But leg-men can logically reply by saying, “Between her thighs her beauty lies.” And literature flourishes with sexual descriptions which relate to a woman’s legs.

While legs, tits and asses have always received their fair share of attention in porn, the pussy definitely comes first. Legs, tits and asses merely provide a provocative frame for cunts so talented and versatile, one wonders if the women written about have had their brains transplanted there.

And from Henry Miller: “Her pussy was her pride. She brushed its lustrous curls every day and gave

From the viewpoint of the average woman, her breasts are a far more sensitive erogenous zone than her legs or ass (with the exception of those women who love to take it up the ass). When breasts are fondled and sucked, the sensation shoots down through the body and causes erotic contractions in the uterus. But most leg- and ass-men feel sufficient fondness for the female tit to give it some foreplay before their trip down. Similarly, most breast-men know that their topside preference is only a place to linger temporarily before getting down to business. Leg-men, ass men, tit-men ...all happy wanderers enjoying their favorite scenery before taking their final sojourn to the lovely land of pussy.

A woman with long, dark, wavy hair is posing outdoors. She is wearing a colorful, abstract-patterned halter top and light blue lace underwear. She is smiling and looking over her shoulder. In the background, there are green plants and red flowers. The text is in a white box with an orange border in the top right corner.

When Diamond wakes up in bed with someone, she makes sure to fuck them again before they leave. When she wakes up alone she's left wanting for something to fill her private little holes. She takes to the fresh air with the best toy for penetrating her pretty pussy. But hours of fucking the dildo leaves her begging for more.

WHEN THE DENTIST IS DONE AND THE ASSISTANTS TAKE OVER, THE REAL DRILLING GOES ON!

The women who work at my dentist's office have a habit of leaving the top three or four buttons of their uniforms undone. Knowing my dentist, I wouldn't be surprised if they had gotten together and agreed on the half-open tops as office policy.

Marina, the one who cleans my teeth once a year and is one of the dental hygienists, has a habit of leaning over my head and bringing those half-exposed titties within a half inch from my mouth.

Ana, the girl who plays nurse and hands tools to the boss, prefers to wave her ass in my face. Whenever I'm reclining in the dentist's chair and the man steps out of the room for a moment, Ana always finds it necessary to turn around, bend over and bring that crack within kissing distance.

Patrisia, the receptionist, doesn't even have to go out of her way to play peekaboo, because just sitting there at her desk while I stand and look down her half-buttoned blouse does the trick. She wears no bra and as I peer down her cleavage I can see the faint outline of her nipples. Patrisia also has a jaw-dropping habit of holding a pen in one hand and absentmindedly stroking her breast with the other.

On this day the doctor gives me the

last appointment on a Friday afternoon, because he has to fill a few cavities in my mouth and isn't sure how long it will take. "If it's going to take more than an hour," I say, "please give me some nitrous so at least I won't be bored to death."

He shrugs, gives me the gas, and gets to work. I'm feeling giddy for a few minutes until, this being the end of a long work week, I doze off in the chair. When I wake up the dentist is gone and the office is very quiet. It's dark outside. "We were told that Dr. M. had to go home after he was done working on you, and we should wake you when we had finished straightening up."

"Then why am still in this chair?" I asked groggily.

"I said 'wake you.' I said nothing about letting you go."

"What are you planning to do with me?"

"Have fun." She lays aside the pen she's been fondling and goes for the real thing. Grabbing my zipper she pulls it down, and as her hand sweeps over my groin my dick begins to stiffen. She pokes around for the opening of my underwear and out pops the weasel. Patrisia touches it. "You don't mind, do you?"

Mind?! She holds my cock in one hand and strokes it with the other. Her fingers skip along the shaft and it bobs

with delight. Patrisia smiles when she sees how I respond to her and she bends down to kiss my cock. We both sense the surge beginning. Patrisia's lips slide up my rod almost to its base and as my cock nuzzles the soft flesh near the back of her throat I come in her mouth.

"Delicious," she says, with a smile and a wink. "Now don't tell the other girls we did this." She stuffs me back in my jeans, closes the zipper, takes her pen and walks out of the room.

"Hey!" I call after her. "You said something about the other girls. Where are they?"

"They went out to dinner. Back soon."

"When are you going to let me go?"

"That's up to us." And she shuts the door behind her.

About a half hour later I hear the door slam. Soon they enter the room where I am, I now realize, being held "prisoner." Even from 10 feet away I can smell the beer and pepperoni on their breath.

"Hey," I yell. "I don't know what you've got in mind, but I'm starving. It might be eight or nine o'clock, and I worked right through lunch today."

"I knew we forgot something. We didn't buy food for him," says Ana. "All we have here is peanut butter and jelly."

"I'll take it," I beg.

You would expect I'd get it on bread, right? Wrong. Marina comes in with two jars in her hand, gives me a little smile, and unbuttons the rest of her top. Large pink breasts tumble out. She smears peanut butter and jelly on each of them as the other two girls giggle. Then she leans over me. I open my mouth and it fills with soft, luscious tit and the taste of PB & J. I lick the sticky stuff off one tit, and then she shifts the other tit to my mouth. The nipples grow firm as I clean the last bit of jelly off them. I chew on her breast until Ana pushes Marina aside.

"My turn!" she says, and leans down to whisper in my ear. Her warm breath and her lips, lightly touching me, send chills of pleasure through my body. "Listen," she whispers. "I've noticed you staring at my ass. Guess where the next course is going to be!"

Ana turns away from me and takes her top off, revealing a smooth tanned back with one white bra strap crossing it. She lowers her pants, not really bothering to step out of them, and pulls her panties down to her thighs. Ana wipes peanut butter on both globes and then shoves some jelly in her crack, even pushing one finger a bit into her asshole. Then she backs toward me.

My tongue works happily to clear the peanut butter from her tan firm cheeks, and I can no longer say I'm doing it just to fill an empty stomach. I slurp my way to the center and then dip my tongue deep into the hole to fetch some preserves. Her ass muscles tense and then relax.

Patrisia, meanwhile, is staring at the bulge in my pants. "Enough!" she says. "We each get a turn, and then he'll take care of us all."

I figure they might want to hear my opinion on this. "Sounds fine to me, girls, but I've got to warn you that I'm not likely to come three more times this evening. Once, for sure. Twice, probably. Three times? Damned unlikely."

Marina turns to Patrisia. "What does he mean by 'three more times'? Did I use one up already?"

Patrisia is either too embarrassed or too horny to admit the truth, and when Marina tries to drag her by the arm, Patrisia puts her hands on Marina's bare breasts and pushes her back. Marina is furious. She grabs a fistful of Patrisia's hair and gets her into a headlock that crushes Patrisia's head between Marina's upper arm and her boobs. Patrisia can't budge Marina's arm away, so she squeezes a pink tit and Marina cries out. Ana tries to help her by grabbing Patrisia from behind.

Ana's panties, still trapped around her thighs, prevent her from getting her balance. As Ana tumbles down she clutches Patrisia's skirt; it rips right up the front seam. The exposed yellow panties are wet at the crotch; evidently Patrisia got off either blowing me or watching me with the other two, or both.

Ana reaches up from the floor to put a hand between Patrisia's legs and fingers Patrisia's pussy. This time Patrisia goes down too, landing in Ana's lap. Marina,

however, still has Patrisia in a headlock and Patrisia has one of Marina's nipples in her mouth.

She rolls off and seizes one of Patrisia's arms while Ana takes the other. They pull Patrisia's top down over her shoulders, so it traps her wrists at her sides. It also exposes Patrisia's breasts, which by now are red from all the exertion.

"Now it's time to work on you a bit," says Marina, and she begins to nibble on one of Patrisia's breasts. "Suck the other one," she mutters to Ana, while she closes her lips around that lovely melon. Ana looks to see if Marina is watching her. Satisfied that she isn't, Ana only puts her soft lips to the nipple. Even from my position in the chair, I can see Patrisia's nipple swell as Ana kisses it. Patrisia closes her eyes.

Marina stops sucking on her and without noticing what Ana is up to, she turns to me. "You say you can't really do all three of us, right?" she asks.

"Well, I just don't know. Maybe if you let me sit up..."

"Nothing doing," snaps Marina. "Ana, we're going to have some fun. We'll make this bitch hot and then we won't let her have any." Marina tears off what's left of Patrisia's panties and skirt. Then she puts a hand under Patrisia's leg while Ana lifts the other leg and they hoist her over my chest, her pussy just an inch from my chin. "We want you to eat her out," says Marina.

That sounds reasonable to me. Ana pushes Patrisia's ass forward and Patri-

sia's thighs brush past my cheeks until her pussy is right at my mouth. I only have to flick my tongue at it once or twice before the lips begin to swell. I lick more earnestly and Patrisia hugs her thighs to my face. Ana pushes Patrisia's ass further forward, cramming Patrisia's pussy against me so that my tongue slides into her. I taste the warm juices as Patrisia gets hotter and starts to moan. She rocks her clit against my upper lip and moans louder and louder, her eyes closed and her mouth open. Just as she's about to come, Marina abruptly wrenches her away from my mouth and Patrisia cries, "Oh, no! Another minute!"

But Marina pulls her off me and plunks her down on the dentist's stool. "Watch her," she orders Ana, and she approaches me to take her turn. She unbuckles my pants, pulls the zipper down, and tugs my pants and underwear down to my knees. My joint is standing at attention, waiting for her.

"You like my tits, don't you?" she says. "So do I." And with that she straddles my knees, bends forward and lowers her breasts to my junk. My cock slips right between them and she moves up and down as it nuzzles in that soft canyon. Just as I'm about to come she stops rocking, sits up, and slides forward so my shaft is swept into her dripping pussy. She lifts a breast upward with one hand and, placing the other hand behind my neck, gets her nipple into my mouth as she grinds us to a climax.

When she gets off she tells Ana, "It's

your turn." Patrisia, by the way, still looks as if she'd like to toss the other two girls out the window and leap onto my cock. So Marina takes her arm to keep her away from me while Ana takes her turn.

Ana swivels her hips as she walks over and they positively gleam as they curve out from her little waist. "How's the little fellow doing?" she asks.

I look down at my cock. "Struggling bravely."

"Good," Ana says. She kisses it, sucking in the mixture of juices from Marina and me. My cock comes to life again, slowly straightening out and expanding as Ana's lips tease it. Meanwhile, she puts saliva on her fingertips and, standing by my side, begins to frig herself. Her legs part a little and her eyelids flutter as she gets more aroused. Then she swings a leg up over me and eases herself onto my dick. Her box is very wet and hot by now, and I become fully erect within it.

Ana swings her left leg up over my head and brings it down next to her right leg, so she's sitting side-saddle on me, facing to the left. Then she raises her right leg, swings it over my legs, and ends up straddling me, with her back to me. She keeps turning like that, stimulating every bit of my cock until she comes to a halt, a full two turns later, with that gorgeous ass facing me, squeezing and wiggling as she grinds us both to an orgasm.

I ask them if they're going to let me go now.

"Think you might get it up one more time?" she asks.

She lets go of the pretty receptionist and Ana climbs off me. Patrisia comes to my side. "Think you could do it one more time?" she asks again.

I'm not so sure. All the excitement, plus a long week at work and no lunch and no proper supper and all that nitrous oxide, have got me feeling tuckered out. I smile weakly and sigh, "I'll give it my best shot."

Patrisia takes my tired little cock in one hand and strokes it with the other. It's pretty flaccid and so am I. I doze off as she's caressing it.

When I wake up a moment later, Patrisia is fully clothed and petting her pen. "How'd that happen?" I exclaim?

"How'd what happen?" she asks.

"You know." I gesture at her standing there, all dressed. I feel I am no longer being held back in the chair any longer.

"What am I doing here?" she asks, "Oh, you nodded off, so we thought we'd let you sleep until we were done putting everything away. The doctor has already gone home."

Ana and Marina stroll by the room and wave. I'm feeling kind of weak as I hobble over to the door. "I nodded off?"

"Yes. You were asleep for over an hour." She is stroking that pen so nicely I expect it to spray ink any second now.

"Well, uh, good night then," I mumble. She winks and waves.

When I'm in the elevator I notice a little stain near the crotch of my pants. How did I do that? Maybe it was the fried eggs I had for breakfast...

Natalia

How else is such a babe to thank her sea captain for showing her around the coast? The same way any sultry siren would. She could try cradling his cock in her wet mouth and letting him fill her to the back of her throat. Maybe he'd like to taste her juicy pussy and finger her pretty little butt hole; or better yet, pound it once she's dripping wet.
